Available accessibility services

All of our Swap Stations are equipped with accessibility-friendly facilities and services. Do you need any of the following? I can help match you with the most suitable location...

Tactile ground indicators

I recommend the Main Swap Station, as it offers the most comprehensive accessibility features perfect for users who may need additional support we have Large font signage for better readability

Clear high-contrast signage

I recommend the Main Swap Station, as it has the most comprehensive accessibility features and clear signage throughout the space.

I also suggest checking out the Café Swap Spot — it's another great option that's both accessible and offers a cozy experience!

Wheelchair access

All three of our stations are wheelchair accessible.
We have lowered counters, wide pathways, and step-free, automatic doors to ensure easy access for everyone.

Accessible restrooms

Our Main Swap Station and Café Swap Spot both have accessible restrooms.
Please note that our Mini Swap Station does not have its own accessible restroom, but there is one available nearby in the Old Engineering Building.

Step-free entrances

All three of our stations have step-free entrances and are fully accessible for wheelchair users and others with mobility needs
